

## **ELECTRICAL SERVICES CONTRACTOR TENDER**

The Clutha Licensing Trust seeks applications of interest from registered Electricians for installation of services and general repair work within the Trusts businesses.

The scale of work is varied; from larger projects to day-to-day electrical repairs.

The work scope will include heating, refrigeration, security, sound system and CCTV installation and repairs.

The successful contractor must have in place a structured Health & Safety programme, which works in-line with the Trust's own policy.

The Tender may be award on the contractor's ability to cover all aspects of work required and may not solely depend on the price presented.

Tender specifications can be located on the Trust's Website:
