

The Trusts Community Foundation, or TTCF as we prefer to be known, has had a longstanding relationship with the Clutha Licensing Trust and we are by far the most significant class 4 gambling funder in the area. TTCF is dedicated to ensuring that a broad cross-section of applications from the local community is supported now and in the future.

At this point we wish to acknowledge the elected members of the Clutha Licensing Trust for their initial recommendations on applications received. The TTCF Board places a lot of credence on their local knowledge and expertise. The ongoing commitment and hard work of all venue staff and support personnel is also worthy of recognition. They work tirelessly to ensure TTCF's gaming machines are operating in a user friendly and safe environment.

TTCF supported the following locally based applicants during the period 1st April 2016 to 31st March 2017:
